• After viewing this presentation, you must visit compass.uga.edu to request the OPT recommendation I-20 form. This is required for your OPT application to the government.

• Immigration Services recommends that you complete this online workshop at the beginning of the last semester before you plan to graduate.
STEP 1: View this online workshop.

STEP 2: Complete the Online OPT Request Form and Form I-765.

STEP 3: Receive your new OPT I-20 form from the Office of Global Engagement (OGE).

STEP 4: Prepare your documents and mail them to U.S. Citizenship and Immigration Services (USCIS). If you need help assembling your application, please email immigration@uga.edu.
IMMIGRATION DOCUMENTS

To begin, have the following documents in front of you:

- I-765 Paper or Online
  Visit uscis.gov/i-765
- Current I-20 Form
- Passport
- I-94 or Change of Status approval notice

Only print the form I-765 found on the USCIS website. The USCIS will NOT accept outdated forms.
Optional Practical Training, or "OPT," is off-campus work authorization that allows a student to work off campus in their major field of study for a maximum of 12 months.

Students in STEM (Science, Technology, Engineering, Math) majors may also be eligible for an additional 24-month extension for OPT. Additional information can be found on our website.

Work authorization for OPT is the Employment Authorization Document or EAD card, issued by USCIS (U.S. Citizenship and Immigration Services).

If you complete a degree at a higher educational level, you may be eligible to apply for another 12 months of OPT.

Example:
If you are applying for OPT now on the basis of your Bachelor's degree, and if you later obtain a Master's degree, you will be eligible to apply for another 12 months of OPT on the basis of the Master's degree.
You only get 12 months of OPT per higher degree level.
MAINTAINED STATUS
Students must be in valid F-1 status at the time of application, in good academic standing, and have been enrolled on a full-time basis for one full academic year (two full semesters/9 months).

FINAL SEMESTER
Students must be in the final semester of the academic program.

NEW OPT AT ACADEMIC LEVEL
Students must not have a previously approved OPT at the same or higher academic level.
WHO IS NOT ELIGIBLE?

STUDENTS MAY NOT QUALIFY FOR OPT IF:

• 12 months or more of full-time Curricular Practical Training (CPT) have been used at the current academic level

• Students who have NOT been enrolled on a full-time basis for one full academic year (two academic semester/9 months)

• Students that violated the immigration status. Common reasons for students to become “out of status”:
  ◦ Failure to pursue a full course of study (i.e. 12 credits for undergraduates; 9 credits for graduates) without an authorized reduced course load
  ◦ Failure to follow immigration transfer procedures when changing schools
  ◦ Working without proper authorization
THREE TYPES OF OPT

PRE-COMPLETION
Pre-completion OPT is authorized for work before the student’s program completion date. Both undergraduates and graduates are eligible for pre-completion.

Please see an advisor if you have more questions.

POST-COMPLETION
Generally, Post-completion OPT is appropriate for students seeking work authorization after completion of the academic program.

24-MONTH STEM OPT EXTENSION
The 24-month extension of post-completion OPT allows students in STEM fields work authorization for a total of 36 months.

The remainder of this presentation will focus only on Post-completion OPT.

Click Here for More Information.
**COMPLETION OF ACADEMIC PROGRAM**

**DEFINITION OF "COMPLETION"**

*For undergraduate and graduate non-thesis students:*
Your Completion Date is the last day of final exams of the semester in which all your degree requirements are completed.

*All other graduate students (thesis/dissertation students):*
You can choose between two dates for the Completion Date:
- The date that you are admitted to candidacy/thesis-only
- The last day of final exams of the semester in which all your degree requirements are completed.
When OPT e-forms are submitted in compass.uga.edu, your academic advisor will confirm the anticipated graduation in the current academic term.

The OPT application cannot move forward until the confirmation form the academic advisor is complete.
REQUIRED EVIDENCE OF COMPLETION

MASTER thesis/dissertation students will need to fill out an Application for Waiver of Graduate Out-of-State Tuition form, turn this into graduate school, and ask the graduate school for an approved copy. You will be prompted to upload a copy of this form when you are applying for OPT in compass.uga.edu

- Application for Waiver of Graduate Out-of-State Tuition

DOCTORATE students will need to fill out the Application for Admission to Candidacy for Doctoral Degrees form, turn it into the graduate school, and upload the graduate school's letter of admission to candidacy when you are applying for OPT on compass.uga.edu.

- Application for Admission to Candidacy for Doctoral Degrees
END DATE ON I–20 FORM

WHEN APPLYING FOR OPT, THE END DATE ON THE I–20 WILL REFLECT YOUR COMPLETION DATE

Because your I–20 end date may be shortened, before you apply for OPT you should be 100% certain you will complete your studies!

If you fail to complete your last degree requirements after filing an OPT I–765 Employment application, you may fall out of lawful status.
APPLICATION TIMELINE

Applications can be submitted NO EARLIER THAN 90 days prior to the completion of your studies.

The DEADLINE to apply is 60 days after the completion of your studies. Please note: USCIS must send a receipt of your application dated prior to the 60th day of your grace period.

On average, USCIS requires 3–5 months to process and issue the Post Completion OPT Employment Authorization Document (EAD) from the receipt date. For current processing times, see: https://egov.uscis.gov/processing-times/

Your best option—Apply 90 days prior to your planned graduation or program completion date.

Applying prior to 90 day time frame will result in application denial.
CHOOSING A START DATE

EXAMPLE:

Josh’s program completion date: May 10, 2020

Josh may choose a start date between May 11, 2020 and July 9, 2020
CHOOSING A START DATE

It is better to use a start date closer to your completion date if you:
• Have an employment offer that starts soon
• Would like to be available for employment right after program completion

It is better to use a start date closer to the 60 day grace period if you:
• Do not have any employment offers at the time of OPT application
• Do not expect that you will be able to secure employment soon after program completion
• Submitted your application “late” (e.g. during the 60-day window after program completion)

OPT approval will ALWAYS have an end date no later than 14 months after degree completion.
Students may begin paid or unpaid employment after receiving the Employment Authorization Document (EAD) and on start date of the authorized employment period noted on the EAD.

Example:
Josh's EAD start date: June 15, 2020
Josh received EAD on May 15, 2020
Employment can begin on or after start date on EAD

- $410.00, payable to The Department of Homeland Security by check or money order OR use a completed G–1450 Form to pay by credit card (**USCIS G–1450**).

- Two identical passport–style color photos of yourself taken within 30 days of filing application

- Photocopy of passport biographical information page (showing passport expiration date & photo)

- Photocopy of your visa

- Print–out of your I–94 record from **cbp.gov/194** OR photocopy of I–94 card—front and back (dark enough to show the red stamp on the front of it)

- Photocopy of I–797 Approval Notice if you changed status in the U.S. (if applicable)

- Photocopies of all old I–20s for Full–Time CPT (if applicable)

- Photocopies of all previous EAD cards (if applicable)
THE I–20 ON OPT

Your Immigration Advisor will email you when your new I–20 is ready at the front desk.

You will receive two copies (one for your record; one for mailing with your application). Your new I–20 will show the OPT recommendation on page 2.

Review all information on your I–20 to be sure it is correct.

When you pick up your new I–20 you will need to pay the 1 year ISCF fee online: UGA ISCF Fee

This fee covers the continued advising you will receive from Immigration Services during the OPT period.
MAILING YOUR APPLICATION

USCIS must receive your application within **30 days** of the issue date on your I-20, **AND** within **60 days** of your Completion Date.

**DO NOT WAIT TO MAIL THE APPLICATION!**
Mailing Option 1: eShipGlobal (UEMS) offers an option for students to send OPT applications to USCIS offices. You can choose the carrier (UPS, FedEx, or USPS), what type of delivery (next day, 2-day, etc.), and ship at discounted rates.

Instructions:
• Go to study.eshipglobal.com to log in or create a free account.
• Select "Send Documents to USCIS."
• Enter your mailing information and select the DALLAS USCIS location.
• Select the carrier you want to use, pay for shipping and print the label.

If you are having your packet reviewed by our office, bring the printed label with you and we will give you a mailing envelope. Otherwise, you may drop off your application at the nearest carrier location.

Mailing Option 2: If you prefer to mail your application without using eShipGlobal, you can only send the application using U.S. Postal Service. Do not send UPS or FedEx, because the application is being sent to a Post Office box.

Write the phrase “I-765” in the lower left-hand corner of the envelope. In the middle of the envelope write the address to USCIS as follows:

USCIS Dallas Lockbox
USCIS
PO Box 660867
Dallas, TX 75266
After mailing your application, please remember the following information:

**I-797 Receipt Notice**

You will receive a Notice of Action (Form I-797) Receipt about 2-4 weeks after you mail the application. Please allow 4 weeks for arrival before inquiring to Immigration Services about your receipt.

YSC number: Your receipt has a reference number or YSC number, which can be used to track the status of your application online at the USCIS Website.

If you used the OGE mailing address on the I-765 form, Immigration Services will notify you via email when your receipt arrives. You will need to visit the Immigration Services office to pick up the receipt and to confirm the accuracy of your name, address, and Date of Birth (DOB). If incorrect, contact your Immigration Advisor immediately.

**Request for Evidence (RFE)**

If there is a problem with your application, USCIS will send a notice called a Request for Evidence (RFE) to the address listed on the Form I-765. If Immigration Services receives an RFE, you will be contacted immediately about its content and an advisor will assist you in responding to the RFE.

Please note that an RFE is not a rejection notice. You just need to send in additional documents before your EAD work card can be issued.

Please note the deadline to respond to the RFE. If you fail to meet this deadline, your application will be automatically canceled and you will have to file a new application with a new fee.

Receiving an RFE will delay the processing of your application for OPT. For this reason, it is important to make sure that you have completed the I-765 correctly and that you have sent the proper documents to USCIS.
During OPT, you are required to:

- Keep your address updated in Compass
- Get your I-20 signed for travel, by your immigration advisor
- Report your employer’s information in Compass

Remember, there is no limit on:

- How much money you can make
- How many jobs you can have
- The maximum hours you can work (you must work a minimum of 20 hours per week on OPT)
OPT approval allows for a maximum of 90 days of unemployment.

Failure to report your employment in compass.uga.edu will result in a violation of your F-1 Status, if the period exceeds 90 days.

Please wait to report your employment until you receive your EAD card. Visit Compass to report employment or address changes.
UNEMPLOYMENT

LIMITED TO 90 CALENDAR DAYS DURING THE INITIAL 12 MONTH OPT PERIOD

Remember to report any employment in compass.uga.edu to avoid accruing unemployment days. Weekends and Holidays are counted.

Unemployment is counted from the OPT start date EVEN if you have not yet received your EAD.

You are considered unemployed if you do not have eligible OPT employment OR if you have not reported your employment in Compass.

No 60-day grace period is allowed if 90 days of unemployment is reached; you must leave the U.S. immediately.

KEEP TRACK OF UNEMPLOYMENT DAYS!
ALWAYS REQUEST AN EMPLOYMENT VERIFICATION LETTER FROM YOUR EMPLOYER IF THE POSITION IS UNPAID.
INTERNATIONAL TRAVEL ON OPT

After you have completed your studies, you will need the following documents for travel on OPT:

• Original I-20 signed for travel by an Immigration Advisor within the last six months and
• An Employment Authorization Document (EAD) and
• A valid F-1 visa (unless you are eligible for automatic revalidation of an expired visa) and
• A valid passport (valid for six months at the time of re-entry to the U.S.) and
• Employment verification (an offer/employment verification letter from your prospective/current employer with dates of employment, position title, dates of authorized leave for vacation or business).

We do not recommend travelling outside the U.S. if your OPT application is pending. USCIS may cancel your application if you leave the country.

Students who do not meet these requirements may not be allowed to re-enter the U.S.

F-1 VISA RENEWAL ON OPT

While on OPT, your immigration status is still F-1. Your visa sponsorship & SEVIS record is still under UGA’s authority.

It is possible to renew your F-1 visa based on participation in OPT.

Immigration Services does not recommend visa renewals on OPT towards the end of your OPT period, because the non-immigrant intent could be difficult to prove at that point.
**60 DAY GRACE PERIOD**

When your OPT ends, you have a 60 day grace period to remain inside the United States.

**Option 1**: Depart the United States

**Option 2**: Enroll in another program of study as an F-1 student & receive an I-20 for that university

**Option 3**: Change your Visa status
The H-1B visa is the most common employment option & is sponsored by employers.

There are two types of H-1B Visas: (1) Cap-Subject and (2) Cap-exempt. For more detailed information on H-1B Visas, please see the USCIS Website

Additional options for visa sponsorship may be possible. Please consult with a reputable immigration attorney for options.
CAP–GAP EXTENSION

Cap-gap benefits are available to F-1 students only with a properly filed cap-subject H-1B petition with USCIS. To trigger cap-gap benefits, the H-1B petition must:

• Request an H-1B employment start date of October 1; and
• Request a change of status from F-1 to H-1B; and
• Be timely filed with USCIS– AND accepted for processing

There are two aspects of cap-gap benefits:

• An extension of OPT employment authorization, if USCIS receives the H-1B petition prior to the expiration of the student’s approved post-completion OPT (standard or STEM)
• An extension of duration of status (D/S), if USCIS receives the H-1B petition before the expiration of the student’s grace period following completion of studies or practical training

Immigration Services will assist qualified students at the appropriate time.
For the upcoming Fiscal Year 2021 H-1B cap season, employers wanting to file a cap-subject H-1B petition must first submit registrations during a March 1 to March 20, 2020 registration period, naming each individual they hope to file for.

USCIS will then conduct a lottery of all registrations received, and petitioners may not file a cap-subject H-1B petition for any beneficiary whose registration was not selected in the registration lottery.

Registration Requirement for Petitioners Seeking To File H-1B Petitions on Behalf of Cap-Subject Aliens

PLEASE CONSULT YOUR EMPLOYER & IMMIGRATION ATTORNEY WITH QUESTIONS IF YOU PLAN TO USE THE CAP-GAP EXTENSION.
