Project Dates:

Study Abroad Program (include program name, destinations, courses and instructors):

Overview

Please provide a brief summary of your project, including:

- What issue(s) and UN Sustainable Development Goals did you address?
- Why was the project important?
- What was your methodology / what did you do specifically and why (include references to previous related projects, scholarship, etc.)?
- What challenges did you face, and how did you work through them?
- What lessons would you share for future or repeated sustainability projects?

Outcomes

Please describe outcomes from your project, including but not limited to:

- How did you spend the grant funds (list suppliers if applicable)?
- Approximately how much of your time was spent on the project?
- What partnerships or other relationships did you develop as part of the project?
- What were the project outcomes / deliverable?
- Who did/will you share the project outcomes with?

Next Steps

Please describe next steps that you or someone else should take to build upon your project, if applicable.

- How might your experience with this project impact your personal, professional, or civic life when you return to UGA?
- If this particular project were to be continued by you or someone else in the future, what would be the most critical or effective next action items?

Grant Reporting Expectations

- Project Report form should be submitted to sustain@uga.edu within one month of returning to the United States from your study abroad.
- Please attach any written reports, photos, videos, or other documentation/deliverables of your project.
